In respect of the fact that **Research Rival** accepts my aforementioned research paper for publication:

1. I confirm that the aforementioned paper has neither been published before nor under consideration with any journal. I (and other co-authors) have not transferred any rights of aforementioned article. I/We declare that the work to be published in this research paper is my/our original contribution, and has not been published elsewhere nor communicated elsewhere.
2. I/ We have not copied the material from any book/web source and know about plagiarism and its repercussions. The text of the paper has been checked by using the **Online Plagiarism Checker**.
3. I (and other coauthors) hereby permit and transfer rights to publish the research paper by Research Rival. In case any other organization or individual wishes to reprint the same, then they will have to seek the permission of either Research Rival or the author/co-authors of research paper and will cite the reference of this publication. I realize that Research Rival as copyright owner has authorization to give consent to reproduce the research paper.
4. In case my/our research paper is accepted by the peer-review committee I/we will deposit/ transfer/pay the requisite processing fees/subscription fees to OSCA.

I/ We accept the responsibility of transferring the copyright of aforementioned paper to Research Rival. We further declare that the authors have no competing interests and all listed authors have read and approved the publication of paper. The correspondence with regard to the publication of paper must be made to the undersigned corresponding author.
